SAFETY PLANNING AND LETHAL MEANS

PREVENTING SUICIDE

The Highlands Event Center

355 Wharton Cir Suite 235, Triadelphia, WV 26059

SUICIDE IS PREVENTABLE WHEN WE KNOW WHAT TO DO

This session introduces safety planning as a life-saving tool for those experiencing suicidal thoughts. Participants will learn how to create a plan that includes coping strategies, support resources, and reducing access to lethal means. The session will also cover how to have effective, compassionate conversations around means safety. This evidence-based skill is vital to preventing suicide and saving lives.

WHO SHOULD ATTEND

Designed for school counselors, social workers, nurses, mental health professionals, and anyone who wants to help prevent suicide and save lives.
